DURATION

Activities and support provided

What you did together and the support you gave. Be specific about the activity and your role.

How the participant was

Their mood, health and engagement. Only what you actually observed this session.

Communication and choices

What the participant said, asked for or decided. Use their own words where you can.

Goals worked on

Which NDIS goal this session supported, and the progress you saw. Only goals you genuinely worked on.

Incidents or concerns

Anything that needs reporting or following up. Write 'None' if nothing occurred.

Follow-up for next session

Anything to carry into next time.
